

OUR VISION - To promote social justice by improving access to the legal system

MISSION – We provide free legal assistance, support, and information to members of our community, prioritising those who are currently experiencing disadvantage

2020-2025 Strategic Areas of Focus

Sector Engagement and Collaboration	Service Promotion	Evidence Based Framework	Working in a Digital World	Supporting Staff
LCLC will continue to engage and collaborate with other providers of free legal services, to expand its reach, while minimising service duplication.	LCLC will actively increase public awareness of its services in various ways including <ul style="list-style-type: none"> amongst the private legal profession, courts, tribunals through the Legal Literacy Volunteer Program through digital means 	LCLC will ensure its service delivery is based on evidence of need and that it accurately and appropriately records service delivery data.	LCLC will pursue digital technology as a means through which to expand its service delivery.	LCLC will work towards being an employer of choice by providing, amongst other things, professional development opportunities and flexible working arrangements for staff.
